ABOUT ME

I am an enthusiastic junior frontend developer with a strong foundation in HTML, CSS, Tailwind, JavaScript, and React. Eager to learn and grow, I thrive in collaborative environments where I can contribute fresh perspectives and embrace challenges with a positive attitude. With a commitment to continuous improvement, I am passionate about crafting intuitive user experiences and leveraging new technologies to drive innovation. Seeking opportunities to further develop my skills and make meaningful contributions to impactful projects, I am excited to embark on the next stage of my career in frontend development.

SKILLS

- Proficient Html , CSS and Javascript
- CSS Framworks : Tailwind
- Front-end Framworks: React js
- Responsive Design and Cross Browser Compatibility
- Version Control : Git , Github
- Problem-Solving and Debugging
- Solid understanding of web development and principles
